

AlnoTrade Affirms its position as a rising Forex Fintech Provider.

Northern Ireland, Jun 27, 2020 ([Issuewire.com](https://www.issuewire.com)) - Forex FinTech provider AlnoTrade has released its' newest and most exciting Forex Trading System to date - eScalpX50.

Hailed as a "breakthrough" expert advisor, the eScalpX50 has already earned superb ratings and rave reviews from customers across the world in the last few weeks.

"I use the eScalpx50, its very intense system and very accurate!" Lorcan McGuinness, Glasgow, UK.

"Flip me what a money-spinner Service use, that scalper bot is real hot. Been using it now for about 4 weeks, very accurate and fast trades." Marcus, London UK.

What separates Alnotrade from typical currency trading bots in the market is the strength of the development team and the ability to develop systems from the ground up, as opposed to recycling systems with new settings.

"These leading and cutting edge trading systems are well balanced, flawlessly engineered and in tune with current market conditions", says Matts Korsen, head of development.

eScalpX50 Expert Advisor works with in conjunction with industry-standard Meta Trader4 platform. The expert advisor deploys time-based algorithmic trading strategies specially coded and designed for use in the GBPUSD cross rate.

"Our Expert Advisor is the best in class and will revolutionize the ability for the market to access high-quality Forex systems with trading longevity", says Korsen.

AlnoTrade commits to excellent aftercare service and continual customer support.

eScalpX50 is available to own or rent with a range of options for all levels of trader.
