

CDP Fastener Group Receives Raytheon 4-Star Supplier Excellence Award

CDP Fastener Group Recognized by Raytheon for Outstanding Service and Partnership

Brockton, Jun 2, 2020 ([IssueWire.com](https://www.issuewire.com)) - CDP Fastener Group was one of 86 companies recently recognized by Raytheon's Integrated Defense Systems business with a 4-Star Supplier Excellence Award.

Raytheon's Integrated Defense Systems business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding customer requirements. Award candidates are judged on certain criteria, including overall quality and on-time delivery. Raytheon had planned to celebrate the 2020 award winners at its annual Supplier Excellence Conference in Boston but cancelled the conference to protect the health and well-being of its employees, customers, and business partners during the COVID-19 pandemic.

"At CDP we are extremely proud to be recognized by Raytheon once again. This award demonstrates our continued commitment to operational excellence. The team at CDP has been laser-focused on customer service and delivery of a quality product consistently for the past 47 years," noted Paul Wagner, Vice President at CDP. *"We have very long-term, established relationships with suppliers and customers, including Raytheon. We have the infrastructure in place to execute product acquisitions and deliveries promptly anywhere in the world to support our customers."*

CDP has provided Raytheon with military specification hardware, fasteners, and electronic components

since its origin in 1973. CDP also supplies multiple Raytheon business units and locations across the United States and to their partners around the world.

About CDP Fastener Group:

CDP Fastener Group is a value-added distributor of hardware, fasteners and electro-mechanical components offering a wide range of products and value-added services to the military, aerospace, and commercial manufacturing markets.
