

Christina Mills, DDS, the Owner and Founder of Dr. Christina Mills and Associates

Get to know Dentist Dr. Christina Mills, who serves patients in Washington, D.C.

New York City, Jun 19, 2020 ([Issuewire.com](https://www.issuewire.com)) - Recognized as a friendly and skilled dentist, Dr. Mills has a wealth of experience in restoring dental implants and in utilizing the most advanced dental cosmetic and restorative procedures. These include tooth whitening, veneers, dentures, crowns, and other options for the replacement of missing teeth. At present, she tends to patients' dental needs at her private practice, Dr. Christina Mills and Associates, located in Washington, D.C.

"The most rewarding aspect in dentistry is providing the very best care, skill, and judgment on behalf of the patients that walk through my door. It's an honor and a privilege to serve them and to be unconditionally committed to the field of dentistry. We engage in on-going, Continuing Education courses to keep up with new, emerging technologies and techniques that will dramatically enhance the lives of our patients" as stated by Dr. Mills.

Following the completion of her Bachelor of Science (BS) degree in Zoology from Howard University in 1977, she went on to obtain her Doctor of Dental Surgery (DDS) degree from Georgetown University in

1983. She received advanced training in the most complex aesthetic reconstructive techniques at the highly regarded Las Vegas Institute.

A member of the DC Dental Society and the American Dental Association, Dr. Mills has been awarded America's Top Dentist Award by the Consumer Research Council every year since 2005.
