Get to know Dentist Dr. Christine Chung, who serves patients in Laguna Woods and Ladera Ranch, California.

**New York City, Jun 12, 2020 ([Issuewire.com](https://www.issuewire.com))** - Dr. Chung is an outstanding general dentist who gives exceptional care to her patients. She is a renowned and dedicated professional in her field. As the co-owner of 7 Day Dental, Dr. Chung operates two offices located in Laguna Woods and Ladera Ranch, California.

Considered one of the best dentists' offices in Orange County, the practice of 7 Day Dental is family-focused, at the same time offering some of the finest professional talents in dentistry. Dr. Chung's team of dental professionals is committed to providing the most comprehensive care possible to all of their patients, regardless of their means. 7 Day Dental specializes in practically every field of dental care, including cosmetic dentistry, endodontics, pedodontics, oral surgery, orthodontics, and more.

Dr. Chung completed her undergraduate studies at the University of California, Irvine in 1992. She then went on to earn her Doctor of Dental Surgery (DDS) degree from the Loma Linda University School of Dentistry in 1996, after which she began practicing general dentistry.

In addition to being an Associate Fellow of the American Academy of Implant Dentistry, she is a member of the American Dental Association, the Orange County Dental Society, and the California Dental Association.

Being a devotee of her profession, Dr. Chung constantly strives to improve and update her knowledge in the field of dentistry and related studies. She strengthens her understanding of diagnosis and treatment by reading research and attending post graduate seminars on such subjects as periodontal surgery, dental implants, cosmetic dentistry, and endodontics.

Her love of dentistry and genuine concern for others are two qualities that impress those who know her well. Gratifying and happy moments are when Dr. Chung is able to help a patient restore his/her smile or to help a patient get through the pain of a dental emergency. She has years of experience in full-mouth cosmetic restorations. Since she has a unique professional skill and patience to work with all ages, she enjoys working with young and old alike.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Outside of practicing dentistry, Dr. Chung enjoys traveling, meeting new people, dining, fashion, as well as playing tennis and golf. She speaks both English and Vietnamese fluently.
