

Digital Clarity Recognised as Top 10 SEO Agency

Guildford based digital consulting and marketing business Digital Clarity, has been recognised by an independent authority on vendors of digital marketing products, services and solutions.

Surrey, Jun 25, 2020 (Issuewire.com) - The company was recognised by TopSEOs who evaluate and rank firms worldwide.

[Digital Clarity](#) was awarded for their commitment to excellence. Furthermore, Digital Clarity was also commended for understanding and excelling at customer satisfaction alongside a great depth of knowledge over the competition.

[TopSEOs](#) uses an independent algorithm that analyses hundreds of data points. The algorithm measures strength in verified reviews, customer feedback and other sentiment about the brand.

The firm was awarded a top 10 place for the specialist skill of Landing Page Optimisation or LPO. Landing Page Optimisation is a technical process that involves analysing a destination or landing page and analysing elements that page to increase conversions.

Talking about the recognition, [Reggie James](#) Managing Director at Digital Clarity said, “As a Google Premier Partner, we are always delighted to be recognised for the work we do for clients. To be

awarded this by independent vendor TopSEOs is a wonderful achievement and really reflects on our experienced and dedicated team effort”.

Digital Clarity is a recognised leader in the field of Digital Marketing and Digital Consulting. The company specialises in [Paid Search \(PPC\)](#), [Search Engine Optimisation \(SEO\)](#), [Social Media](#) and Analytics.

The firm provides exceptional service and results. Over the years, Digital Clarity has been shortlisted for Digital Business of the Year, the UK Search Awards and E-Commerce Agency of the Year. Digital Clarity previously won the Digital Impact Award for best evaluation strategy. Digital Clarity is a Google Premier Partner and Microsoft Advertising Partner.
