

Get to know Cardiologist Dr. Raghu Dudda Subramanya, who serves patients throughout the State of New Jersey.

Raghunandan Dudda Subramanya, MD, FACC, FASNC, a Cardiologist with Virtua Cardiology - William G. Rohrer Center - Voorhees, NJ

New York City, Jun 29, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Dudda Subramanya is a fellowship-trained board-certified cardiologist who tends to patients at Virtua Cardiology - William G. Rohrer Center - Voorhees in New Jersey.

The expert team at Virtua Cardiology - William G. Rohrer Center - Voorhees consists of board-certified noninvasive and interventional cardiologists as well as nurse practitioners providing high-level care. They offer a full range of non-invasive and interventional cardiac services, including diagnostic testing and treatment for adults aged 18 and older. Such services include electrocardiogram, cardiac stress testing, echocardiogram, vascular ultrasound, cardiac catheterization and stenting.

Alongside his clinical role at Virtua Cardiology - William G. Rohrer Center - Voorhees, Dr. Dudda is affiliated with Virtua Cardiology - Pennsauken & Virtua Cardiology in Lindenwold. He also trains Residents from the Tatem Brown Family Medicine residency program and PA students from the University of Health Sciences, Philadelphia. He serves as faculty of the American Society of Nuclear Cardiology as well.

After earning his medical degree from M.S. Ramaiah Medical College in India, he relocated to the United States to further his training. He was a postdoc associate at Weill Medical College of Cornell University in NY. He completed both his residency in internal medicine and fellowship in cardiovascular disease at Drexel University College of Medicine in Philadelphia. He worked as an assistant professor in Cardiology at Drexel University - Hahnemann University Hospital before moving to Virtua Health System.

A Fellow of the American College of Cardiology (FACC) and a Fellow of the American Society of Nuclear Cardiology (FASNC), the doctor is board-certified in internal medicine and cardiovascular disease by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Additionally, Dr. Dudda Subramanya holds certifications through the Certification Board of Nuclear Cardiology and the National Board of Echocardiography as well.

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).

Licensed to practice medicine in Pennsylvania and New Jersey, Dr. Raghu Dudda Subramanya has been recognized for his clinical excellence with several awards, including Patient Safety Excellence Award™ (2018) and America's 100 Best Hospitals for Coronary Intervention Award™ (2019, 2020). He has won Castle Connolly Top Doc (2013), South Jersey Top Doc (2018), Philadelphia Magazine Top Doc (2018, 2019, 2020) by peer evaluations.
