

Hot Site My Exclusive Fans Provides Entertainment While Providing Income to Creators

New York City, Jun 15, 2020 (IssueWire.com) - With millions of Americans and other world citizens forced to spend more time at home due to Covid-19, websites that provide fresh and exciting content are more popular than ever.

MyExclusiveFans.com is a state-of-the-art platform that provides the latest, hottest, and freshest content to an elite group of members that subscribe. And what makes it unique and special is that it allows for income to content creators at an unprecedented rate.

In the words of the founders of this exclusive and dynamic site, "It's a social media platform for self-expression, enabling each independent MODEL CREATOR as Premium Private Account Owner. MODEL CREATORS monetize their user-generated content and to interact in a personal and intimate

level crowdsourcing content-viewing subscription access for MEMBER BACKER users."

Consider this: many "starving artists" go-to fishing for funding using platforms such as GoFundMe and Kickstarter to fund their creative efforts. The problem is these choices are usually a one-time event. But with MyExclusiveFans.com, it can be a regular occurrence as fans of a creator can provide recession-proof funding or payment for every new post/video/content. It's a "win-win" for everyone. Subscribers get fresh and exciting new content, and their favorite MODEL CREATORS get paid!

It's a new movement that continues to grow at a rapid pace.
