

iDenfy Wins "Fintech Startup of the Year" Award 2019-2020

iDenfy earns "Fintech Startup of the Year" award and becomes the rising star in Fintech

Kaunas, Jun 18, 2020 ([IssueWire.com](https://www.issuewire.com)) - iDenfy, one of the reputable identity verification solution providers in Lithuania, today announced that it had been awarded "Fintech Startup of the Year" award for showing the tremendous development based on innovation & growth and bringing the positive impact with its services. The award was given in Fintech Week Lithuania.

The Fintech Lithuania Week 2020 has been set up by the Agency for Science, Innovation, and Technology, ROCKIT Vilnius, Invest Lithuania, Fintech Lithuania, and Fintech Hub LT. More than 70 speakers and 500+ fintech companies had participated in this event.

This four-day virtual event was started from June 15, 2020, including panel discussions, virtual expo, fintech pitches, B2B meetings, keynote speeches, and awards.

Lithuanian Fintech Awards aims to honor the industry's achievements and successes of the country's talented companies contributing to the country's financial technologies. The awards were given in 10 different categories.

Domantas Ciulde, the CEO of iDenfy, expresses his gratitude for the award and says, *"we're honored for this recognition. "Fintech Startup of the Year" award will motivate us to achieve our brand promises and contribute to Lithuania's financial technologies industry."*

He further says, *"this award has increased our responsibility to help individuals and businesses make the online world a safer place for everyone with our identity verification solutions."*
