

iVIPANAN got Digital mandate of Urban Style, UAE

iVIPANAN Digital Marketing Services got the Digital Marketing mandate for Urban Style, UAE. iVIPANAN is a Digital Marketing consultancy based in Surat, Gujarat that provides services like SEO, SEM, SMM and Content marketing.

Surat, Jun 4, 2020 ([Issuewire.com](http://www.Issuewire.com)) - In this COVID-19 pandemic period, sanitizing our hands has become the most crucial thing.

When the government of all the countries are giving ease in lockdown and everyone is getting back to routine life, hand sanitization becomes part of our routine life. Hence, for the safety of people, Urban Style - A UAE based company who has more than a decade of experience in manufacturing of metal parts and project execution in the fields of architecture, interior and art has come up with an incredible idea of portable hand sanitizing machine "[Saniport Lite](#)". Along with it, they have a range of modern urban furniture preferable for new-age home decorators. The company also offers a variety of Patina finish on metal.

Mechanical or Industrial businesses like Urban Style have a great potential to promote their products on social media platforms like Facebook, LinkedIn and Instagram. All three platforms have different types of audiences. The company wants to leverage the variety of audience on different social media platforms to promote their new range of sanitization products.
