West Chester, Jun 26, 2020 ([Issuewire.com](https://www.issuewire.com)) - Knowledge Hub Media Founder and CEO Paul Guenther have been named one of the “10 Most Inspiring Business Leaders” to watch for in 2020 and is featured on this month’s cover of [Beyond Exclamation](#) Magazine. The Spring 2020 issue, which was released earlier this week, dives into Paul Guenther’s life as a successful entrepreneur. From the early, rather simplistic days, to the success that he’s had with his award-winning company “Knowledge Hub Media.” The article also touches on some of Paul’s other business ventures and tells the tale of how Knowledge Hub Media came to be.

The eight-page featured cover story, explains how Paul Guenther turned his dream into a reality. Starting with his humble college days, where he put himself through school by running a successful e-commerce website, to now, where he runs one of the most highly respected and awarded B2B technology and media companies on the internet. The article features the role that Paul takes on as a successful CEO, as well as the distinctive services that Knowledge Hub Media offers, how they tackle the competition, stay motivated as a company, and ultimately, what their vision entails for a better future in the world of business-to-business advertising and marketing.

The Spring 2020 issue of Beyond Exclamation, which chronicles this year’s “10 Most Inspiring Business Leaders,” was released online at beyondexclamation.com this Wednesday. The print version of the magazine is set to hit stands early next week. Read through this month’s issue of Beyond Exclamation Magazine to learn more about how 2020’s top CEO’s and business leaders are pursuing their passions - while their successes follow.

About Beyond Exclamation Magazine

Going “Beyond!” Something that mankind has always strived to attain. The history of mankind is a testimony of exclamatory tales, and has witnessed Tycoons, Technologists, Scientists and Artists going beyond their status-quo to win the exclamation. Their passion, commitment, diligence, and the other exclamatory elements have helped them move beyond themselves, beyond their shortcomings, beyond failure and beyond exclamation... The extraordinary journeys of these world movers have led to the creation that is “Beyond Exclamation” magazine.
