

Meet one of the youngest entrepreneur turned Actor Sunil Butolia

How Delhi based young entrepreneur stepping into Bollywood

Mumbai, Jun 16, 2020 ([Issuewire.com](https://www.issuewire.com)) - Any story begins with a dream and without a direction. It is only those who find true happiness and joy in life. Fighting through and knowing what you want may not initially take you into your dreams, but over time everything happens.

Sunil Butolia is a young and dynamic entrepreneur, a celebrity manager, a social media manager, and an influential figure. Sunil Butolia has worked for more than 100 individual stars, influencers, and companies.

He was born on 1 March 1988 in New Delhi, India. Sunil Butolia completed his secondary education from GBSS School, Delhi and then completed his graduation from the University of Delhi. Sunil Butolia loves learning new things on his own pace, and he is trying new concepts online with these things, which have already made a significant name in social media marketing.

Sunil Butolia is the fifth child of his parents. His mother's name is Mrs. Atarkali, and his father's name is Mr. Pratap Singh. He was married to Mrs. Neetu Butolia and have one girl child Sakshi Butolia.

Sunil Butolia is a proud Co-founder of Fame Internet, and he wants to grow more and more in this field as an entrepreneur. Being ahead, he leads with front and helps his team to do better and learn the right things in social media marketing. You can even visit his website: <https://sunilbutolia.com>

India needs budding social media marketing entrepreneurs like Sunil Butolia to move forward in a

rapidly evolving IT world.

He also started a few projects on women's safety, and he was also awarded as Entrepreneur Young Achievers award in Delhi and Incredible Indian icon award in Mumbai.

He is also certified in Fundamental of Digital marketing by Google Unlocked.

With time, he also started his news and media company, named [famepublish](#) and being celebrity with +85,800 active audience.

Sunil Butolia is also an Instagram Influencer with more than 18,000 active audiences.

Sunil Butolia has achieved success at a very young age of 17. At the age when teens are busy playing and chatting on social media, Sunil changed his life and made his own identity. With the increase of Digitalization, Sunil made him successful in the technical field. In his free time, he used to watch the success stories of the YouTubers who became zero to hero in digital platforms.

Being in a Digital platform, he used to learn from hatred, and he drastically changed his content by his audience suggestions. Once in an interview, he said that "I listen to my audience because nobody can guide me rather than my audience they are my best friend, they support me always."

Sunil Butolia is also known as the Tech Boy of the YouTube community and known as [Knowledge Panel Expert](#). He used to manage everything from Delhi. Sunil currently MBA from Madras University. Before his YouTube Journey, he had fear of presenting self to others, which was automatically vanished while making videos on YouTube.

Once he is also told that before his YouTube journey, he never been to any debate or school stage performances as he for fear of it, but after coming into YouTube can speak fearlessly everywhere. Also, he believed in self-confidence.

He set his aim to make [Fame Internet](#), India's top digital marketing company. He also trying to step into Bollywood and inline with some of the big filmmakers.
