

Munez Scratches his Name as a Global Icon in Mixing Sounds With ‘Save Your Soul’ Dominating the Charts

DJ/producer Munéz shows the right way to party the night off as he releases his new energetic dance anthem ‘Save Your Soul’ that sounds perfect as a club banger.

Spaichingen, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Making the most global headlines with his energetic productions, DJ/ producer **Munéz** has launched an unexpected pattern of music that graciously highlights his name in the industry. The enthusiastic beat maker has been engaging his crowd for a very long time and showcased his skill and versatility as a producer in an impressive manner. The

nature of his music is drooling and fully exciting, which not only gets the crowd race towards the dance floor but lends them the perfect ambiance to dance their feet off.

The artist has recently launched another club banging music titled '[Save Your Soul](#)' that opens up with a vocal presentation but soon the music maker takes over the charge with his consistently brilliant musical influences. By stylistically combining sounds of various genres. The artist offers up the perfect balance between bounce and groove. Every rhythm is powerfully included and gives out chill vibes throughout. The track is a smooth hit as the artist uses high quality, polished sounds to uplift his mixing techniques. At the beginning of his career, he has played with the big ones like Dr. Motte, Beatrockers and Cuebrick etc.

This artist has also received recognition at the German DJ Contest 2018 where he secured the third position. However, coming from Spaichingen, **Munéz** has been related to several label names so far for his ability to deliver happiness with his music. '**Save Your Soul**' is an enjoyable and fun danceable track that will serve as a testament to the artist's innovative style and progressive beat mixing power. Over the last years, he has worked on many other tracks as well. Music enthusiasts can listen to his music on both [Soundcloud](#) and Spotify. Also, don't skip his [Facebook](#) and [Instagram](#) handles that offer exciting updates.
