

NathCorp Releases New “Pro-Work” Services Portfolio

Reducing Current IT Spend

Irvine, Jun 11, 2020 ([IssueWire.com](https://www.issuewire.com)) - Irvine, California: NathCorp today announced a new group of products and services. NathCorp’s “**Pro-Work**” is group of efficient cost-saving services offering a new way for Enterprise clients to quickly pivot to outsourcing IT resources.

“We are dedicated to supporting our clients during challenging times through services to help ease the transition to supporting the remote workforce and optimize costs on Existing IT spend.” says Raj Nath, CEO at NathCorp. “NathCorp’s new breed of the services that comprise our **Pro-Work** Portfolio has been specifically designed to help organizations with cost reduction and offer unparalleled flexibility with no long-term commitments.”

Features and benefits of Pro-Portfolio include.

- Low-cost – our services offer savings of 50-70% over in-house delivered services
- Flexible – no long-term contract commitment required; add or remove services as your business needs dictate
- High quality – for the price of a single resource, you get access to Our **Pro-Work** collective group of experts with an average of over 10 years subject matter expertise

NathCorp’s **Pro-Work** portfolio is specifically designed to help clients deal with the changing business environment resulting from COVID-19 and aligns directly with your need to reduce cost and maintain agility in the post-COVID world.
