Not three, or eight, or twenty.  
You may ask - is six enough?  
Well, trust me, six is plenty.”

A collection of over five hundred original short stories, each one exactly six words long. Some stories are funny, some poetic, some vulgar, and some are a little disturbing. Each story has been lovingly crafted to amuse and entertain in only six words.

Six Word Wonder is a social media sensation, with over 10,000 followers on Instagram. Now, for the

first time, Doug brings his best tiny stories together in one collection.
