Delhi, Jun 28, 2020 ([Issuewire.com](https://www.issuewire.com)) - Oranks Infotech bags national Quality Excellence Award 2019

One of India's leading SEO & ORM Company, ORANKS INFOTECH has won the National Quality Excellence Award 2019 for delivering excellent SEO & ORM services in India and abroad. Oranks Infotech received the award from Praxis Media Group on 29th Dec, 2019.

On the back of its advanced SEO service, Oranks Infotech helps brands bring their website on Google's 1st page with relevant business search queries. This enables companies to increase traffic and generate leads. With our state-of-the-art ORM services, we build/repair the online presence of brands and individual such as Politician, CEOs, Directors, and Celebrities, on Google search.

According to Mr. Khalid Gaur (Co-founder of ORANKS INFOTECH):

we strive to deliver quality work which is at par with industry standards. We provide website

development, [SEO, ORM services in India](#) & abroad under one roof. We are thrilled to have won this prestigious award, which is a demonstration of our clients' trust when embarking on their digital transformation journey. The company, which has an experienced team, goes beyond the scope of work to meet its client's expectations. In the initial stages, we were a bit apprehensive due to the competition in this industry. The industry is witnessing the regular launch of new companies, but Oranks Infotech is way ahead in the competition because it comprises a team that has rich experience and has worked with some of the leading digital companies. Our technical and communication team is making concerted efforts to take the Oranks Infotech to greater heights. Oranks Infotech delivers 100 percent results with a client retaining rate of 98 percent. In the times to come, we are looking forward to work with leading brands in India and abroad.

By working with a brand like Wave Group, DLF, Adani, Adarsh Group, TrusSox, Meizu India, we have been able to deliver our best services. Special thanks to Praxis Media Group for this prestigious award and long-standing relationship.

About ORANKS

ORANKS INFOTECH (<http://www.oranks.com>) began operations in 2017. Within a short span of time the company created a strong reputation because of its excellent SEO, ORM, website development service, and a strong professional team. Currently, we have 20+ employees and highly experienced team leads who have worked with some of the leading conglomerates like Wave Group, Reliance, Adani, DLF among others. The company has been delivering state-of-the-art services to its clients on the back of rich experience and advanced level tactics/strategies.

Our clients include top domestic and international companies like Hindustan PowerProjects, DLF, Wave Group, Meizu India, TruSox India, Adarsh Group, and Builders, Hamdard, PoojaKhurana and some marquee start-ups such as Vibcure, Funcart, Blingg, AirTimeParking UK etc. We are also managing the Google search and social presence of famous personalities and companies.

Our ORM clients are leading business personalities, celebrities, and politicians from India and Dubai, include CEO of Modi Enterprises, CEO of Hindustan power projects, Indian actress Nikesha Patel among others.
