

Painting With A Twist Denver Now Offering Twist At Home Kits

Denver, Jun 2, 2020 ([IssueWire.com](https://www.issuewire.com)) - Painting with a Twist (<https://www.paintingwithatwist.com/studio/denver-lodo>), Denver's leading Paint and Sip franchise now offer "Twist at Home Kits" for their guests and clients to enjoy the "sip and paint" activity from the comforts of their own home.

Founded in 2007, Painting with a Twist is a franchising company with 290 locations all over the United States. They provide customers with a canvas, paints, and brushes for a fun and artistic event with family and friends.

As the Covid-19 pandemic ravages the whole world, keeping people locked up inside their homes, the company Painting with a Twist comes up with a great plan to escape the boredom and give the whole family a relaxing and fun time!

The company introduces the perfect solution — Twist at Home Kits.

Signing up for a Twist at Home Kit, customers can have a fun time painting with comprehensive step-by-step instructions from one of the company's artists—all from the comforts of their own home. The company offers paintings for both kids and adults so that the whole family can participate and have a fun night.

The Twist at Home Kit includes:

- Surface canvas, wood, or wine glasses
- Paintbrushes
- Paint colors
- Disposable apron
- Step-by-step written instructions

Take note that some kits may even include a video tutorial with a video link and password to be included along within the written instruction. Other Studios may also include disposable cups, paint palette plates, napkins, and table paper on their offering.

When it comes to ordering the Twist at Home kits, customers will have two options:

- **Local Studio #163 Order**

Customers can order a Twist at Home kit from their local Denver-LoDo studio. Customers can visit <https://www.paintingwithatwist.com/studio/denver-lodo/calendar/> to select a painting and inform the Studio via a call or send them an email or text.

Studios can offer curbside pick up where customers can pick up the kit during opening hours. For safety, customers are advised to just stay in the car and text or call the Studios as soon as they arrive and wait for an employee to bring the kit.
