

## Patrick Narh-Martey, MD, FACS, a General Surgeon

Patrick Narh-Martey, MD, FACS, a General Surgeon with Houston Healthcare Systems, The Medical Center, Navicent Health and Regency Hospital Company

**New York City, Jun 8, 2020 ([Issuewire.com](http://Issuewire.com))** - Dr. Narh-Martey is a top general, laparoscopic, and robotic surgeon who can treat conditions such as appendicitis, thyroid disease, vascular access, colorectal disease, gallbladder disease, hernia, breast issues, cancer, acid reflux, and bowel obstruction. He also specializes in minimally invasive surgery options and is trained in robotic surgery using the DaVinci robot.

With a focus on patient-centered surgical care, the doctor can be found on staff at Houston Healthcare which is located in Warner Robins, Georgia. The Medical Center, Navicent Health, and Regency Hospital Company of which are located in Macon, Georgia.

On the subject of his educational background, Dr. Narh-Martey graduated with his medical degree from Northeastern Ohio Medical University. He completed his internship at Western Reserve Health Education, followed by his residency at Dartmouth Hitchcock Medical Center and Western Reserve Health Education.

Committed to providing the best possible surgical care, he is board-certified in general surgery by the American Board of Surgery, which is an independent, non-profit organization located in Philadelphia,

Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge. He is also a Fellow of the American College of Surgeons (FACS).

General surgery is a surgical specialty that focuses on abdominal contents including the esophagus, stomach, small bowel, colon, liver, pancreas, gallbladder, appendix and bile ducts, and often the thyroid gland. A general surgeon performs a wide range of abdominal surgeries for many forms of intestinal and abdominal wall neoplasms, gallbladder disease, gastric and pancreatic disease. They follow the patient through critical care and surgical recovery all the way to outpatient care.

Married with two children, Dr. Narh-Martey loves college football, playing soccer, traveling, and cooking.
