Dr. Deborah Stroman Founder of Center of Sports Business and Analytics

Miami, Jun 30, 2020 (IssueWire.com) - [SportsEdTV](#)'s appointment of Dr. Deborah Stroman, athlete, coach and racial equity advocate/educator is the newest addition to [SportsEdTV](#)'s directory of Senior Contributors.

"Adding Dr. Stroman is very timely given the intensity of social pressures permeating the world of sports," said Robert Mazzucchelli, Founder and Chairman of SportsEdTV.

As University of Virginia's first Black scholarship female athlete where she captained the basketball team and as the first Black female coach at the University of North Carolina, Dr. Stroman, today instructs UNC graduate students in racial equity and racism analysis.

"Debbie is a familiar face on court and in board rooms and our users will benefit immensely from life and play lessons she's going to FREELY share in her [SportsEdTV](#) contributions," adds Victor Bergonzoli, [SportsEdTV](#) CEO.

Dr. Stroman is the founder and CEO of the Center of Sports Business and Analytics which hosts the nationally-recognized, SPEIA Basketball Analytics Summit.

"The ability to message athletes and sportsmen and women all over the world via [SportsEdTV](#) is exciting and opportune, especially as sports everywhere are in the midst of dramatic changes," Dr. Stroman said.

About [SportsEdTV](#): SportsEdTV exists to help athletes, coaches and parents LEARN, WIN and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their own champion, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents and coaches can interact, connect, chat, share content and find new friends. SportsEdTV videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
