

Pianist and composer Soheil Zamanian releases third single

La Réfexion De La Lune will be the third single following his album The Sounds of The Island.

Stockholm, Jun 28, 2020 ([Issuewire.com](http://www.Issuewire.com)) - Iranian born pianist and composer Soheil Zamanian has released a new solo piano single this week called La Réfexion De La Lune. The single follows Paper flowers and Romance both which were released after the album The sounds of the Island. Soheil says his inspiration has been drawn from the unique atmosphere, beauty and way of life on Kish Island, the Island made completely of coral he calls home. Soheil has always had a love for music and has been in

the music profession for a long time, he has composed both musical pieces as well as for TV and film.

The single is released by Soheil Zamanians record label Black Ice Publishing KB. CEO and spokesperson of the label Gina Walters say that it is important to maintain diversity in music and to promote brilliant instrumentalists and neo classisists which is why Black Label Publishing is proud to represent Soheil. Soheil has a way of playing that provokes in us almost inexplicable magic. A beauty that can neither be seen nor touched but heard and emotionally felt. We are looking forward to furthering material from Soheil.

The single (as the other releases) is available worldwide and are on every major streaming platform.
