

Rap Mogul LILz Engages the Audience With his Captivating Melodic Charm in his Enticing Soundtrack ‘Wet’

The lyrically opulent track ‘Wet’ by LILz, the hip hop artist from Albuquerque imparts the true essence of old school hip hop tunes with a nudge of modern funk.

Albuquerque, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Originated at the alleys of Bronx, hip hop music has quickly become a global cultural phenomenon with its universally approachable content. Driven by the desire to showcase his grand artistic performance to the world, promising hip hop musician **LILz** has presented his one of a kind blend of a stylized rhythmic cadence and his breathtaking verse

throw in his newest single '[Wet](#)' featuring fellow rapper lil duque. Carefully stringing addictive and hard-hitting beats together in a perfect harmony, the song produces a surreal symphony of mesmerizing sonic delight. The well-crafted melodic pattern comes to life with the masterful arrangement of chords in the track.

Well-versed in the art of lyrical wordplay, the articulate [hiphop artist from Albuquerque](#) flaunts his wondrous diction through his lyrically refreshing soundscape. Armed with a vast collection of rhyming words, the articulate artist is on a mission to preserve his intimate thoughts and feelings through powerful symbolism. His unique and unparalleled rap flow brings out the true gist of his perspective of the world to his fans making them fall in love with his compositions.

Hoping to impart his positive vibe among his followers, **LILz** pours his heart out into creating his finest number '**Wet**' featuring lil duque. The smooth and steady rhyming flow of the track incorporated with the flickering instrumentation creates an ambiance of brilliant intensity. Bless with a boisterous vocal style, the talented artist utilizes it as a natural instrument to power up the word delivery igniting a fire into his performance. Working with his production house Stewart, he has already earned wide recognition among hip hop enthusiasts with his other soundtracks like 'A new day', 'Don't Call Back', 'Ball out' and 'Drugs', both featuring Woo sosa. To listen to his wonderful collection tune into SoundCloud, and follow him on [Instagram](#), and [Facebook](#) for future updates.
