

Rohit Jaiswal, M.D., a Plastic Surgeon with Hankins & Sohn Plastic Surgery

Get to know Plastic Surgeon Dr. Rohit Jaiswal, who serves patients in Henderson and Las Vegas, Nevada.

New York City, Jun 26, 2020 ([IssueWire.com](https://www.issuewire.com)) - As one of Las Vegas's premier plastic surgeons, Dr. Jaiswal blends technology, medicine, and art to achieve personalized results for every patient. He believes in bringing aesthetic improvements to everyone who wants it, in as safe, effective, and easy a manner as possible. His priorities have always been safety and quality to produce beautiful results, with as little discomfort and downtime as possible.

Helping patients to realize their dreams by combining expertise with artistry, he practices at Hankins & Sohn Plastic Surgery with offices in Henderson and Las Vegas, Nevada. He works alongside Dr. W. Tracy Hankins and Dr. Samuel M. Sohn, bringing his skills and talents to one of the most well-regarded plastic surgery practices in the country.

After completing his undergraduate degree at the University of California, Berkeley, Dr. Jaiswal attended medical school at The Ohio State University College of Medicine in Columbus, Ohio, where he graduated with honors. From there, he was accepted into the most competitive surgical residency in the world—plastic and reconstructive surgery. He completed a vigorous and prestigious residency in plastic surgery at the University of California Davis Medical Center in Sacramento, California.

During training, Dr. Jaiswal learned firsthand from national and international masters in plastic surgery. He developed an interest and talent for many office-based procedures such as fat transfer, facial contouring, cosmetic injectables, and re-shaping procedures, in addition to a full spectrum of operating room-based procedures. While in residency, he produced the most plastic surgery publications of any surgeon within his program and was invited to give presentations at highly regarded plastic surgery societies in San Francisco, Los Angeles, San Diego, Boston, and in Nassau, Bahamas.

Despite being heavily recruited around the country, Dr. Jaiswal was attracted to the unique culture of Las Vegas and completed a one-year fellowship in advanced training at the University of Nevada before embarking on his professional journey.

Proud to be at the forefront of plastic surgery techniques, the doctor is board-certified through the American Board of Plastic Surgery, whose mission is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Among his academic and professional affiliations, Dr. Jaiswal is associated with the University Medical Center in Las Vegas and Sunrise Medical Center. Since 2016, he has also been serving on the faculty of the Division of Plastic Surgery at the University of Nevada, Reno School of Medicine, and as an Adjunct Instructor of Surgery at the University of Nevada, Las Vegas.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
