About THINKWARE

Global IT Corporation THINKWARE DASH CAM was founded in Korea in 1997. Through consistent research and development in the field of smart car technologies, THINKWARE DASH CAM has established itself as the market leader in various sectors such as dash cams, electronic maps, navigation and mobile applications.

Spearheading the competition with world-class image processing technologies and intuitive, user-friendly interface, THINKWARE DASH CAM debuted in the US market in 2014. THINKWARE DASH CAM has confirmed it will be exporting their DASH CAM lines into 17 other countries including US, Canada, UK, and Japan.

THINKWARE DASH CAM has continued to astound the industry with its world-class DASH CAM lines during their presence at global exhibitions like CES, SEMA, and The Gadget Show Live. For CES 2017, the world's largest consumer electronics show, THINKWARE received the Innovation Award of the Year for excellence in technology and design. The company has also received the IF Design Award and IDEA

Award Finalist in 2017, as well as the Red Dot Design Award in 2017.
