

Total Virtualization from Recruiting to Training and Change Management

A Covid-19 and Post-pandemic Solution

Spring, Jun 17, 2020 (Issuewire.com) - TOTAL VIRTUALIZATION FROM RECRUITING TO TRAINING & CHANGE MANAGEMENT! An Effective COVID-19 Solution.

Virtual Intelligence Providers LLC. (VIP-Global) and GRAY PEAK LLC brings together a unique and unmatched, total-customer HRIS solution that starts with recruiting and hiring, all the way to the employee training and performance improvement application solutions, delivered via VIP-Global's Technology known as the VIP QUICK SUITE™. This solution adds value, effectiveness and efficiencies to all VIP-Global Customers while bringing in cutting edge technology and innovation to each enterprise wishing to grow, re-open and improve VIRTUAL PERFORMANCE, after COVID 19.

VIP-Global was founded just two weeks after 9/11 and is a full spectrum, Technology Consulting firm that helps create powerful business solutions for worldwide corporations and government institutions. We help organizations interested in driving dramatic growth through the implementation of Next-Generation Technologies.

"It is during the present that we must sharpen our ability to create the future, collaborate and innovate. COVID19 has dramatically changed the world and we are undergoing an unparalleled digital transformation process. Human interactions, Live-Distance-Interviewing and Virtual Meetings are now the norm and industry leaders and experts are quickly adapting to new technologies. Our minds, thought processes and decision-making abilities, must be in tune with innovation and transformation.

Technological disruption is breaking ceilings and changing the world as we knew it and VIP-Global is simultaneously driving the change of obsolete HRIS practices while helping our clients transform their business operations. We are now looking face-to-face at the 4th industrial revolution and our technologies are vital to keeping up with innovation and forward-thinking.” – Sonia Clayton

“Over a year ago, I embarked on a journey with Gray Peak to help expand the brand awareness and create a presence,” said Andre Belmonte, VP of Sales at GRAY PEAK LLC. Andre continued to say that “Today is a great day as we announce our partnership with VIP-Global for them to resell our platform to DIR in the State of Texas and others across the world. Together, Gray Peak Hire and VIP-Global will offer the best in class solution, with an end to end recruiting software to the DIR-State of Texas which help them utilize the latest technology and enhance their recruiting and hiring methods.” In today’s ultra-competitive turbo-charged business environment, Gray Peak Hire possesses the internal skill and expertise to deliver solutions to all its clients using the latest technology advancements. Andre concluded by saying, “Our pipeline is flowing with new products and ideas that will continue to set new standards for excellence in business software and SaaS within the talent acquisition industry and the DIR-State of Texas will be able to benefit from this.”

About Gray Peak Hire:

Gray Peak Hire, headquartered in Lake Worth, Florida, is a software provider that offers a complete talent acquisition platform. We are focusing on changing the recruiting process's dynamics, radically reducing the time it takes to fill positions, and significantly improving the ability to identify and select quality candidates.

Gray Peak Hire's complete offering eliminates the need to utilize several independent applications to support the recruiting, hiring, and on-boarding needs of an organization. Recruiting, Text recruiting, Video interviewing technology, on-boarding, and more are all accessible in one application via a single fully configurable dashboard resulting in a consistent, streamlined, and effective process.

One solution that does it all - Gray Peak!
