

Training Industry Includes GCube in the Top 20 Training Outsourcing Companies Watchlist 2020

GCube is honored for being recognized in Training Industry's Top 20 Training Outsourcing Companies Watchlist for the year 2020.

Noida, Jun 10, 2020 (Issuewire.com) - It is a proud moment for GCube for being named in Training Industry's Top 20 Training Outsourcing Companies Watchlist 2020, for a fifth consecutive year. The coveted Watchlist rewards and recognizes innovative providers of training and technology solutions.

Training outsourcing is the business strategy for which a company utilizes an external supplier for the management of training processes and/or activities. Training outsourcing suppliers manage not only courses/course content, but the training process, services and/or administrative activities.

The criteria for selection to the 2020 Top 20 Training Outsourcing Companies Watchlist include industry visibility, innovation, and impact, company size and growth potential, the capability of delivering multiple types of training services, the strength of clients and geographic reach.
