Virginia Prep Sports Academy is a rigorous prep post-graduate, academic-athletic program for students who wish to continue their desire to earn a four-year scholarship at an accredited four-year college.

The mission of VPSA post-graduate sports program is to provide young women and men with the opportunity to continue their education and to obtain a college degree while participating in collegiate sports.

If you are a post grad student we require our kids to take classes through WOSC online. Our postgraduate students take anywhere between 6 to 9 credit hours a semester. We do not have a partnership with WOSC but they have been great to our students and we have had kids finish there 1101 classes and transfer right into a division 1 college. We currently have Men Basketball, Football & Girls Basketball. Next year we will be looking to add Men & Women Soccer.

"I want to make it to the next level, and this would be a good opportunity to help student athletes," Woodson said. Lynchburg, Virginia is a great place to be and we are going to do many great things here!
