

Building Momentum: Marche' at Mosaic Records Record Sales Since Opening.

Luxury Townhome Community by Sekas Homes Nearly Sold Out.

Vienna, Jul 2, 2020 (Issuewire.com) - Marche' at Mosaic in Fairfax, VA has recorded a double-digit sales pace since opening.

"It has been an amazing project from the very first day," said John Sekas, president of Sekas Homes, Ltd. "We opened quietly with a private pre-sale event for individuals who had expressed an interest in our community located adjacent to the Mosaic District in Merrifield/Fairfax, Va. Since February 2019 our sales pace has averaged two per month, enabling us to move construction quickly through the community."

Marche' at Mosaic is a 40-unit luxury brick townhome community featuring four finished levels, roof decks for private entertaining, elevator prep closets, gourmet kitchens and numerous luxury appointments that are synonymous with the Sekas Homes brand. Initially priced from the \$900's, the homes are currently selling from the upper \$900's to over \$1 million in the final phase. There are a handful of residences left. Residents enjoy proximity to Dunn Loring Metro, major commuter routes, and the shops, dining and entertainment venues within walking distance at the Mosaic District.

"Like everyone, we had a small dip in activity at the height of the Covid-19 pandemic outbreak, but

buyers are back in the market and interest level is extremely high,” said Jack Appleman of Sekas Homes. “We expect to complete sales in this community by Fall with all deliveries occurring well before the end of the year,” he continued.
