New Delhi, Jul 24, 2020 ([IssueWire.com](https://www.issuewire.com)) - ITPL India group is excited to announce the launch of **Career Ahead** magazine, launched on 22nd July 2020. The magazine was released on the Career Ahead website - <https://www.careerahead.in> - in an attractive e-book format, and a print edition is also available. The aim is to inspire young readers, professionals and entrepreneurs with real-life stories of accomplished individuals from all walks of life. It also shares first-hand experiences of students of various subjects from institutions across the globe, along with career tips and the latest relevant news.

The **Editor in Chief**, Akhil Backliwal's vision was "*to create an innovative, authentic, inspiring, stylish and engaging magazine*", and with contributions from thought leaders across various fields, this edition certainly fulfills his expectations. With an uncluttered and attractive design format, the magazine is visually appealing and the content is engaging, informative and absorbing.
