

CarExamer Announces Free Used Car Checklist

Use checklist and buy car safer

London, Jul 30, 2020 ([IssueWire.com](https://www.issuewire.com)) - - Vehicle Inspection Experts CarExamer Release Completely Free-to-use Car Buying Checklist

- CarExamer Release 18-Point Free Vehicle Checklist

- Available with no registration or card details necessary

With one in six people buying used cars every single year, CarExamer has released a completely free-to-use vehicle inspection checklist to identify issues before they happen and help reduce the number of newly purchased car faults.

As an industry-leading vehicle inspection service with years of experience in the automotive industry, CarExamer has released a comprehensive 18-point checklist designed to take action against undeclared vehicle issues, faults and safety issues in vehicle purchases.

Categories include:

- Features to look out for
- How to Test a Vehicle
- Background information to check

The checklist is completely free without registration for both download and online use, and it can be accessed permanently from the CarExamer.com website.

WHAT BUYERS NEED TO KNOW, before going to view the car and questions to ask the seller

- **Two car keys** (one key = £180 potential expense)
- **Service history**
- **Invoices history backing repair history**
