Get to know Plastic Surgeon Dr. Christian G. Drehsen, who serves patients in St. Petersburg, Florida.

New York City, Jul 15, 2020 (Issuewire.com) - Over the past three decades, a board-certified and accomplished plastic surgeon, Dr. Drehsen has dedicated his life to perfecting the art and science of cosmetic surgery, becoming one of the most innovative, skilled and respected surgeons in the country. He is the Founder & Director of the Clinique of Plastic Surgery & Laser Institute in St. Petersburg, Florida.

Devoted to exclusively producing natural results, Dr. Drehsen believes in a holistic, “less is more” approach to surgery. By subtly altering and refining one’s features to bring out their innate beauty, he is able to improve their appearance in a way that looks and feels extremely natural. With an impeccable eye for beauty and an inherent sense of symmetry and proportion, his aesthetic instincts and artistic passion have allowed him to produce exquisite results for thousands of patients.

Highly respected in his industry for his unparalleled skill in facial plastic surgery, Dr. Drehsen is well known for developing the signature Refresher LiftSM – an innovative procedure that overcomes the limitations of the standard facelift.

A member of the American Academy of Cosmetic Surgery and the Pinellas County Medical Association, he is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Born in Belgium, Dr. Drehsen achieved his medical degree at the Free University of Brussels. From there, he moved to the United States, where he received complete training in general surgery, followed by comprehensive training in all fields of plastic surgery at the University of Louisville, Kentucky under the direction of Dr. Leonard Weiner. He also trained in hand surgery under the world-renowned hand surgeon, Dr. Harold Kleinert, and in microsurgery under the direction of Dr. Robert Ackland. During his residency at Morton Children’s Hospital in Louisville, he kept close contact with the burn unit and developed strong pediatric skills as well.

Over the years, Dr. Drehsen has employed his broad surgical experience and demanding, goal-oriented and aesthetic approach to cosmetic surgery to help his patients achieve their ultimate dream of beauty. His artistry and technical skill have been recognized by both the local and national media through his appearances on television and radio, as well as by his medical colleagues through national peer-reviewed presentations and medical publications.

Highly respected in his industry, he has been featured in top-rated magazine Cosmetic Surgery Times for his focus and dedication to facial plastic surgery, including the renown signature Refresher LiftSM. He has also been awarded many accolades and honors, most notably: St. Petersburg FL Best Doctors (2016), New Beauty Top Doctors (2016, 2015), Guide to America’s Top Plastic Surgeons 2012 Issue, Plastic Surgery Practice Best of 2012 Issue, Plastic Surgery Practice Best of 2011 Issue, Plastic Surgery Practice Best of 2010 Issue, Patients’ Choice Awards (2009), and Tampa Bay Best Doctors 2007 Issue.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon’s primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

In his free time, Dr. Drehsen enjoys boating in the beautiful Florida waters or traveling abroad to his

native Belgium and farther.
