**Nadia, Jul 30, 2020** ([Issuewire.com](https://www.issuewire.com)) - CouponMonkey.in, India's leading coupon, and online offers website have launched a user-friendly and feature-rich product feature and price comparison feature on its website.

Coupon monkey offers you more than 5000 active shopping coupons, discounts, and deals that are valid on various online portals and offline stores.

Gone are the days when you needed to keep track of individual websites for best deals and discounts. Coupon Monkey is India's most popular website that offers the latest and most comprehensive coupons and deals that are available on major everyday brands.

This one of a kind product comparison feature makes it easier for the shopper to take a quick look at product features vis-à-vis other options he or she has. This can be a huge time, and money saver add-on for people looking for the best discounts and offers online.

"We launched **CouponMonkey.in** in April 2017 with a goal to help our website visitors make huge and maximum savings on their shopping budget," says Mita Mondal of CouponMonkey.

**Mita Mondal is a housewife from a remote village who started this venture with the help of relatives and a loyal team. CouponMonkey.in is the result of her interest in comparing kitchen equipment.**

What started as a four-member team has now grown into a 20 plus member team comprising qualified and experienced Coders, Managers, Marketers, HR, and support staff that constantly works towards adding new features for the benefit of shoppers from India and abroad.

CouponMonkey offers coupons and discounts from a wide choice of brands and departments. Filters and comparison features are offered to view and select the offers according to your search.

Coupon monkey lists the best deals available from eCommerce websites and brands, including Amazon India, Flipkart, Snapdeal, Paytm Mall, Pizza hut, Myntra and more.

Coupon Monkey has coupons covering all major brands and product categories, including electronics, Smartphones, Fashion, and gifts. In addition to this, you can also avail the best Travel Deals, Web hosting deals, and even international flight tickets through this one single website.

"Our goal is to support you every day by offering you the best promotions on the products and brands you love, but also to allow you to discover the new launches at reduced prices." Says Founder & CEO of [CouponMonkey.in](https://www.couponmonkey.in).

Coupon Monkey does not charge the users to avail the offers on its website. Although an incredible amount of work is involved in keeping the website constantly up to date, the CouponMonkey team places the interest of visitors above all. Only valid coupons and discount deals get listed on coupon Monkey.

Coupon Monkey is very popular among shoppers who use the internet to find ways to save money on their shopping budget.

Each day, new offers are added to allow you to save on your shopping. With the festive season coming up, Coupon Monkey is an excellent option to visit in case you are looking for savings buying gifts and other products or services.

Avail exceptional discounts offer on your favorite products and take advantage of the deals. Check coupon monkey before shopping, ordering Pizza, traveling, or buying gifts for your loved ones. Visit
