

Effizent Seele Pvt Ltd An Award Winning Company by JP Loknayak Jayaprakash in 2019

Top GST Suvidha Kendra Franchise Provider, GST Center Provider in all India By Effizent Seele Pvt Ltd

New Delhi, Jul 15, 2020 (Issuewire.com) - We stand proud because of the value that we have built among our clients and the organization. It fills us with honor and when others appreciate this it becomes a benchmark for excellence in service quality.

[Effizent Seele Pvt Ltd](#) (ESPL) has recently been **awarded JP Loknayak Jayaprakash Awards 2019** by **Dr. Mahendra Nath Pandey** (Central Minister of Skill Development & Entrepreneurship) and has been recognized as India's number one organization that has created the maximum number of earning **opportunities** for the people. Our countries' youth has been dealing with unemployment for a long decade but not now. The awards judges agree that **ESPL** has changed the way companies innovate and provide service.

Within a year of its opening, it has successfully opened more than 10,000+ [gst center franchise](#) around the nation. Within a year the company created an influential and successful growth rate from delivering a single sector service (Financial) to now 200+ service in 11 sectors (**Banking, Loan, Employment, Education, Insurance, G2C, GST** related service, and even travel assistance) which has brought a radical change in the employment sector - says its **7 lakh clients**, the company has shown strong improved support in its service with a strong backend team in 9 different languages.

The promise to keep upgrading its service form, it now also provides service through its own App facility and is the first **Franchise** that has come up with its App. With Pride, we can say that this breakthrough success defines the strong determination and hard work of the company as a whole. **ESPL** has a human-centered approach to the way they operate, consistent with the time-tested values of the business. It focuses on quality and meaningful growth for everyone.

Always working in the favor of countries' youth development **ESPL** provides the best, easy, and secured employment opportunity for everyone. With traditional and digital methods it has given unbeatable support in service.
