He is also a frequent presenter at professional association programs, lecturing on many different subjects related to periodontics, implant dentistry, and 3D imaging.

Periodontology is the specialty of dentistry that studies supporting structures of teeth, as well as diseases and conditions that affect them. A periodontist specializes in the prevention, diagnosis, and treatment of periodontal disease, and in the placement of dental implants. They are familiar with the latest techniques for diagnosing and treating periodontal disease and are trained in cosmetic periodontal procedures and grafting procedures to rebuild lost bone and gum tissue.

A national leader in dentistry, Dr. LaMorte is the author of the book 'Healthy Smile, Healthy Body!', which is designed to help patients make an informed decision about some of the forms of treatment to restore their oral health, and discuss ways to care for their teeth. It addresses five critical topics that impact immediate concerns of oral health as well as total body health; oral hygiene, gum diseases, treatment, dental implants, and receding gums.

Providing expert dental care for over four decades, Dr. LaMorte has been recognized year after year as one of 'America's Top Dentists.' Since May of 2013, he has been serving as a Campmaster Corps for the Patriots' Path Council of the Boy Scouts of America. He is also a supporter of the American Radio Relay League.
