

Janalynn Castelino teases her new Music Video

Mumbai, Jul 10, 2020 ([Issuewire.com](https://www.issuewire.com)) - Versatile singer '**Janalynn Castelino**' is back to the music scene. The young trending artist teased a new look from her next music video on her social media handles after having recently released an MV amidst the pandemic. The picture that was captioned 'EMBRACE YOURSELF' in capital letters got her fans enthralling once again. Earlier this year, **Janalynn Castelino** made it to trending at **Rank #2** on the **YouTube Music Top 100 Charts** with her Music Video 'Fire On Fire (Recreated)'. The song gained humongous popularity all over Lebanon and countries in the Middle East including Saudi Arabia, U.A.E, Turkey, Oman, Yemen, Qatar including Sharjah and Dubai to a massive extent. It was released over Janalynn Castelino's YouTube Channel and is a recreation of Sam Smith's - Fire On Fire. The audio of which is available on all major platforms worldwide with over several thousands of downloads in stores and streams till date. Her bold and velvety vocals have caught the attention of many music icons around the globe. That's exactly why she's been engrossed in a couple of international projects and has been shooting and recording for the same.
