

## **Jennifer M. Garrison, DO, a Family Physician with Houston Methodist Primary Care Group**

Get to know Family Physician Dr. Jennifer M. Garrison, who serves patients in Katy, Texas.

**New York City, Aug 3, 2020 ([IssueWire.com](https://www.issuewire.com))** - Devoted to the comprehensive health care of her patients, Dr. Garrison is a respected family physician with Houston Methodist Primary Care Group in Katy, Texas. Her mission is to achieve optimal health through a healthy lifestyle and disease prevention. Providing high-quality care with respect, compassion and open communication is her goal.

The doctor's clinical interests include prevention and wellness, diagnosis and management of acute and chronic illnesses, health screenings, routine immunizations, complete physicals, high blood pressure, high cholesterol, diabetes management, women's health, and pap smear.

Throughout her journey into the medical profession, Dr. Garrison obtained her Doctor of Osteopathic Medicine (DO) degree from the New York Institute of Technology College of Osteopathic Medicine in 2008. She then went on to serve her residency in family medicine at Dwight D. Eisenhower Army Medical Center.

An active member of the American Academy of Family Physicians, she is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Recognized as a seasoned professional, Dr. Garrison's rapport with her patients, her medical knowledge, and her dedication as a doctor contribute to her popularity with patients and members of her medical team. She understands the needs of her patients and treats every person with the compassion, respect, and attention they deserve. To date, she also remains affiliated with Houston Methodist West Hospital.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
