

Lost Reality Announces Special Opening Offer - 25% off for its Customers

Perth, Jul 22, 2020 (Issuewire.com) - Lost Reality, a well-known escape room game provider in Perth, announces special opening offer for its customers.

We all know that an escape room (aka an escape game) is one of the most amazing, funny and exciting games for people. It is designed to provide an interactive real-life, puzzle-solving adventure experience to its fan and followers. And beating an escape room requires teamwork, speed, accuracy, creativity, and patience, but it is also epic fun! So, if you are a diehard fan of escape games, here is exciting news for you.

Lost Reality Escape, a well-known escape room provider in Perth, announces special opening offer for its customers. They are giving 25% off for the first 50 groups to book with them! You can choose between –

- “Battle of Winterfell” room has a capacity of between 2 and 8 players.
- “The Jungle” room has a capacity of between 2 and 6 players.

Of course, such games are quite complex and challenging at times. Indeed, they are designed in such a way that they will challenge you at every single step that is why more and more people pick them to have extraordinary fun and entertainment.

It is also essential to have your own approach and devise a plan of action for the best results. If you can escape the room in the record time, you will be the winner. However, it makes sense to have as much fun as possible.

Lost Reality encourages people to book escape rooms for all types of parties, special events, birthday parties, corporate events, hen's party, buck's party, teambuilding activities, etc. No doubt, such fun activities games are highly memorable and thrilling for people who want to have extra fun and push envelopes of imagination and creativity.

Even you can pick it for family fun on the weekends. Since it is an ideal fun activity for almost all age groups, kids like and enjoy such activities very much. They not only feel more energetic and creative but also brush up their existing problem-solving abilities, which is good for their overall growth and

development. Besides that, they can get an interactive real-life experience in an effortless and funny way. Get ready to unlock the best escape rooms in Perth.
