

Medical equipment and training industry leader, One Beat Medical & Training, unveils new website

Miramar, Jul 20, 2020 ([Issuewire.com](https://www.issuewire.com)) - Representatives from [One Beat Medical & Training](https://www.onebeatmedical.com) unveiled their new website, www.onebeatmedical.com, this week. The site merges the company's existing websites into one dynamic, comprehensive, easy to navigate source for medical equipment, supplies, training, and information.

[One Beat Medical & Training](https://www.onebeatmedical.com) is a leading force in the distribution of new and recertified life-saving medical products and equipment and provider of emergency resuscitative care training such as CPR/AED/FA/BBP/BLS/ACLS/PALS certification courses. With a global customer base, **One Beat Medical & Training** offers leading, well-known brands, a fully trained bio-med and service team, and AED and Training Certification Management. **One Beat's nationally recognized training program is accredited by the American Heart Association (AHA), the American Red Cross (ARC), and the American Safety & Health Institute (ASHI).**

"The new [One Beat Medical & Training](https://www.onebeatmedical.com) website embraces our training provider roots; as well as our new and recertified medical equipment distributor experience. It brings technology to the forefront to create a better customer experience. With consumers relying more on remote purchasing, our stronger e-commerce strategy provides a unique opportunity to serve our existing customer base and reach new ones", expressed **Lawrence Franchetti, CEO of One Beat Medical & Training.**

One Beat Medical & Training, led by CEO Lawrence Franchetti, continues its focus on public safety and serves all life-saving teams across EMS, Public Safety, and Clinical systems.

About One Beat Medical & Training

One Beat Medical & Training is one of the largest distributors of new and recertified medical products and equipment in the United States. One Beat offers an expansive brand line up; their experienced sales team is equipped to help consumers select the products and services that best suit their needs. One Beat Medical & Training is also a nationally accredited American Heart Association (AHA), American Red Cross (ARC), and American Safety Health Institute (ASHI) training center. Founded in 1999 by a professional firefighter, the One Beat training team consists of doctors, firefighters, paramedics, and police officers – people dedicated to saving lives every day. They deliver real life experience to make training accessible, fun, and informative for families, schools, and businesses.
