

Meet Iranian Standup Comedy Showman Akbar Eghbali

Stand Up Comedy Showman

Istanbul, Jul 25, 2020 ([Issuewire.com](https://www.issuewire.com)) - Akbar Eghbali(born 22 - 2 - 1980) is an Iranian stand-up comedian and performer. Eghbali performed Iran's first Laughing Concert on July 16, 2013, at kish island. In these concerts, he performs social satire, imitating the voices of singers and actors, as well as entertaining jokes.

The main part of Eghbali's performance is improvised humor and instant subjectification; So that most of the humor content is created at the same time as the program.

Akbar Eghbali is working as an artist and producer of the famous night show series" Colorful Star Wars".

Few people do not know Akbar Eghbali and do not smile when he sees his plays. Akbar Eghbali is an artist who have been working in the comedy department for many years, bring laughter to people's lips. Akbar Eghbali is currently the producer and artist of the colorful star show and performs in various cities.

This show is one of the best and most popular shows and has many items. Among these items is a humorous performance by Akbar Eghbali. Of course, Akbar Eghbali is present in almost all sections! The other part of the colorful star show is the acrobatic movements section, the competition part is one of the interesting parts of this show, which is more for laughter and joy, and at the end, the winners will

be awarded prizes. Beatbox is another part of the star show and watching it is not without grace. Black Light Show is also an interesting and admirable program of the interesting parts of Kish Colorful Star Wars, which takes place in complete darkness. In this part, the actors perform a beautiful show in shiny clothes in the dark.

The other part is called the sports comedy show. A sports comedy theater is part of this program that should not be missed in any way. This part is performed by professional and tasteful theater artists, which is very beautiful and memorable. Sound imitation is also one of the most interesting and popular parts of this program, and in our opinion, the most attractive part is the stand-up comedies of this show.
