

Naz, a professional Makeup Artist Offering Beauty Training Programmes

NAZ BEAUTY

- Get the look -

London, Jul 14, 2020 ([IssueWire.com](https://www.issuewire.com)) - Naz is a professional Bridal Makeup Artist with over 20 years of experience in the beauty industry. She received her training from the industry-leading MAC Cosmetics.

Having had the opportunity to work locally, nationally and internationally; Naz is renowned for her passion, hard work and commitment. It is her tailored and individual service that has allowed her to establish a clientele base that includes both celebrities and local clients.

Her professionalism in particular earned her the privilege of working with many celebrities.

Naz has also provided her expertise in numerous shows such as Zee TV, Cosmopolitan, Asian Bridal Exhibition, and the IIFA awards. Most recently, she has worked with

British model and actress, Amy Jackson which can be seen on the company website www.nazbeauty.co.uk

In order to enable others to qualify with diplomas as well as an accredited certificate in makeup and hair, Naz offers many training courses at the training academy for people to grasp this opportunity and learn the skills & knowledge as well as industry secrets. At the training academy, Naz delivers high-quality makeup and hair training to her students as a highly experienced academy tutor. At the academy, we are committed to teaching our cutting edge, unique and stunning looks. In addition to practical knowledge, some courses deliver a business and advertising lecture within the training program which will equip students with the competence and confidence required to succeed within the industry.

As Naz will deliver 100% dedication to her students, she will continuously encourage them to reach their full potential. In return, she expects nothing less from her students to also commit to the hard work and

dedication required during and after the course. The two-way collaboration between Naz and her student is absolutely necessary to achieve the successful completion of the training program.
