It ensemble in rustic barn wood from Lexora provides a beautiful, contemporary style to any bathroom. With sleek, clean lines and a cool, neutral finish, this vanity's beauty is only matched by its seamless functionality. The cabinet doors and drawers feature soft-close hinges and slides to increase safety and ensure you never have to hear a slamming cabinet again. With solid birch and rubberwood construction, this piece is as durable as it is stunning. The model bathroom vanity Ziva also comes in different sizes from 30 to

84 Inches and other finishes to fit into any size bathroom and blends with any style. Every vanity ensemble also includes a matching stone countertop, ceramic under-mount sink, and a mirror with a matching wood frame, you need to finish off your bathroom upgrade. The bathroom cabinet has 8-stage painting and finishing process, each finish is primed and sealed for superior moisture resistance

There are several main functions assigned to the bathroom vanity. Its main purpose is to serve as a compact storage for various cosmetic, hygienic, or cleaning products. Depending on the dimensions, the vanity can also be used to store towels, bathrobes or dirty laundry intended for washing. There are different storage systems in the form of shelves, drawers, metal nets, etc. In addition to the storage, a bathroom vanity helps to successfully hide all the nondescript communications and plumbing, the appearance of which can ruin any interior. Sometimes it can be a kind of screen that hides some operating furniture for which is often difficult to find a place in a small apartment. In addition, tastefully selected furniture can be a magnificent decoration of the interior.

Double bathroom vanity with sink embodies a new design solution. It affects not only the perception of the interior but also bears practical benefits. If you have a large family, then a "double" plumbing fixture will be the solution to many problems. Its advantages include:

- Ease of use;
- Hygiene by all family members;
- Possibility of organizing personal space.

If your bathroom is spacious enough, then you can undoubtedly put a [double bathroom vanity](#) with a sink in it. Separately, you can always order a mirror or even a medicine cabinet with lights. In our store, you can choose the color scheme and the model of your future piece. It can be white, barnwood, dark grey, black, pine, beige, or walnut.

Double sinks with a bathroom vanity benefit from the fact that they allow the possibility of using bathroom space by several people at the same time. Such designs are being used for private purposes, apartments, and houses, but they are also often installed in public places.
