

Rockpals 100W Foldable Solar Panel Charger is Available Now

The Rockpals Solar Panel Charger will be available on July 31. Rockpals Solar Panel Charger is compatible with the most solar generator on the market.

Dallas, Jul 30, 2020 (Issuewire.com) - Rockpals, solar panels, and portable power stations provider supports the [go green](#) campaign by launching 100W Foldable Solar Panel Charger. Rockpals 100W Foldable Solar Panel Charger is scheduled to launch on July 31. People can purchase via pre-ordering from now. Foldable Solar Panel Charger is an effective power solution when traveling in the summer. Solar Panel Charger provides free energy to power small electronic devices, such as smartphones, tablets, digital cameras, GPS, and many more.

Rockpals 100W Foldable is an environmentally friendly [solar panel charger](#) that converts up to 21.5-23.5% of solar power into free energy. It is much higher than most solar panels on the market and made of high quality and durable materials (durable Oxford cloth and water-resistant to endure most weather conditions), and ideal for outdoor activities like camping, hiking, picnic, and climbing.

Rockpals representative explained about its new [solar panels](#), *"We used Rockpals Monocrystalline silicon solar panel. It gives a higher conversion rate and faster charging time in the sun compared to Polysilicon solar panels."* This solar panel has a 50-60W output. Therefore it is compatible with the most solar generators on the market, including Rockpals Power Station.

The Rockpals solar panel charger weighs only 10.8 lbs, foldable, lightweight, and portable (20.5 x 14.2 x 2.6 inches). It is ideal for outdoor use when the sun is shining and for emergency power when unexpected power outages. Rockpals provides its foldable solar panel charger with a 24-months warranty. Thus, the buyers don't need to worry if damage occurs suddenly. They currently give an extra \$24 discount for its solar panel if buyers insert "POWER24" coupon code. Check their official website now, before it's gone.
