

Virtuoso Is a Phenomenal Musician Who has Orchestrated Great Pop and Rock Numbers for His Fans

Virtuoso is instrumental in bringing back colorful music from yesteryears to the audience. He has added a unique flavor to some hypnotic and mesmerizing numbers.

Amstelveen, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Some path-breaking stuff is notched up by **Virtuoso** who real name is Maestro Gad Lev. He has dished out instrumentals like '**Sultans of Swing**', '**Viva la Vida**' and '**Enjoy the Silence**'. He has won many awards and accolades with masterpiece musical performance in the genre of **pop, rock, bowpop, covers**, and **classical**. He

lives with his wife and children and hails from Amsterdam and is also the owner of an up to the minute production house called '**Virtuoso**'. He has brought covers of hit pop and rock from yesteryears for his fans. He has also played the violin while on a roller coaster, skiing, under the sea, and also while skydiving.

In the brilliant instrumental '**Sultans of Swing**' by the talented musician [Virtuoso](#) there is marvelous sound design. In the instrumental track '**Viva la Vida**' there is a fine celebration with meaningful music. In the instrumental '**Enjoy the Silence**' the notes are refreshing. He played with major orchestras like Berlin Sinfonietta, the **Buchmann-Mehta Symphony Orchestra**, and many more. The audiences can log on to his profile on [Facebook](#) and [Instagram](#) to fetch more information.

The engaging instrumentals have appealed to the audience as the pristine sounds are majestically incorporated by the talented violinist. There is a fresh and unique expression in the instrumentals with an inescapable grip that is flabbergasting. He also played with great musicians as a concertmaster and soloist such as **Dohnanyi, Mehta, Zuckerman, Vengerov**, and others. One can log on to popular music streaming sites like [Spotify](#) and [YouTube](#) to listen to his instrumentals.
