

ADesignGuy launches Influencer Marketing Agency

Starting new marketing agency during pandemic to help businesses grow their reach on Social Media

Gurgaon, Sep 1, 2020 ([Issuewire.com](http://www.Issuewire.com)) - ADesignGuy Agency which has been open since past 1 year has now announced launch of it's *Influencer Marketing* wing under **Nikhilesh Nanduri** where current ADG which has worked with top Creator talent and helped them in their digital needs be it a Website, App or even designing art for their YouTube channel ADG has done it all. Helping clients like Closet Trunk, Stag International, Ourania, Iarani Inc and lot of other brands and companies the agency has made App and Websites for Youtubers like Abhinav Mahajan, Sirhud Kalra and Techburner.

The founder of [ADesignGuy](#), [Vashisth Bhushan](#) is really excited to make this a huge success for making the Business benefit during this pandemic to have a wider and better reach in terms of organic growth. He adds, "*We have already been excellent in providing Marketing services in terms of design and Influencer Marketing is next big thing to be considered in space of Ads*". They have already worked with Youtubers like Kritika Goel and Instagram influencer and TV Actor Raj Anadkat for brand deals and other business needs.

The company believes in working on multiple projects and even work on the side with other bigger companies so that they themselves can implement their ways and methods to improve ADG. The main aim is to have good relation with Client in terms of excellence in social media reach.

These young early 20s Entrepreneurs wish to bring a change in Software as well as Online Media Industry and will soon expand to overseas clients.
