

Author Anna Elizabeth Judd Reveals Her Latest Books

The Western Novelist

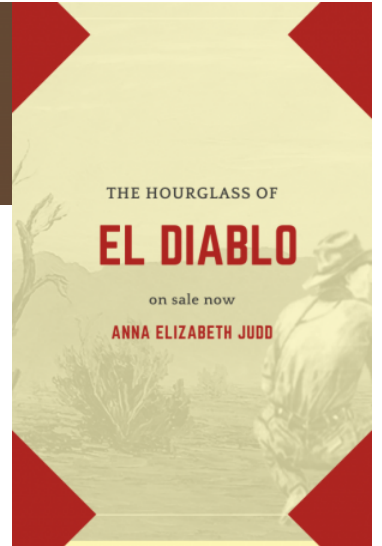

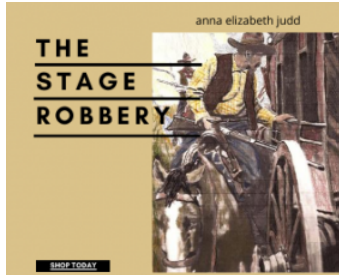

Prescott, Aug 7, 2020 (Issuewire.com) - Anna provides it all as if you are in the saddle along for the journey. Her rare books bring the readers joy from nearly every genre they can appreciate. She exuberantly brings the image and sentiments of the west to full life throughout the storyline. Yet, at the core of Judd's work is a black stallion who engages life into every aspect of the book. Haystack fills children's mind with wonder as he interacts with Marshal Spur and the Outrider Gang, to the mild minored young steed who brings Adam to new levels of learning in his life. Then he is brilliantly portrayed as a beautiful Appaloosa stallion in the Broncobuster as Cash.

[Anna Elizabeth Judd](#) includes a vast trove of Western Novels depicting the "Cowboy Way," Horse Whispers, Gunslingers, and the Wild West, but very few scratches the surface relative to the vibrant depictions through which Anna takes this storyline in The Hourglass of el Diablo.

In her newest edition, [The Handbook of Horsemanship](#) Ann shows her extended knowledge in the art of horse training. As she originally wrote the book for her clients, so after the training with her was complete they would have a guide to take home. It ensured their continued success in the world of horsemanship.

Anna has many other books planned in the future, so stay tuned for the next adventure of [Marshal Spur and the Outlaw](#) coming winter 2020. But..... don't think she has left us longing.... Dive into her new music album for all the young cowboys and girls in the world. [Spur Up! Marshal Spur and the Outlaw.](#)
