Get to know Family Nurse Practitioner, Brady Franklin, who serves patients in Plano, Texas.

New York City, Aug 25, 2020 ([IssueWire.com](https://www.issuewire.com)) - Specializing in pediatrics, Brady is a board-certified family nurse practitioner who provides continuing and comprehensive healthcare for the individual and family across all ages, genders, diseases, and body systems. At present, she works at Pediatric Offices at Willow Bend in Plano, Texas.

Physician-owned and operated, Pediatric Offices at Willow Bend is committed to providing each patient with an exceptional level of care and attention. The dedicated staff works together as a team to provide high-quality comprehensive pediatrics care, while the compassionate and understanding pediatrician takes pride in paying close attention to each patient's needs through a holistic and pharmaceutical approach.

On the subject of her educational background, Brady obtained her nursing degree from Baylor University in 2017. Two years later, in 2019, she earned her Master of Science in Nursing degree from Belmont University in Nashville, Tennessee.

To advance her professional efforts, she remains a member of the American Association of Nurse Practitioners, the Texas Nurses Association, and the American Nurses Association. She also holds a certification in Pediatric Advanced Life Support (PALS).

A Family Nurse Practitioner (FNP) is an advanced practice registered nurse who works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the "family" patient population focus, FNPs offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.
