

Captivating California – A New Travel And Lifestyle Show Featuring A Stellar Line-Up Of Iconic Destinations

Los Angeles, Aug 25, 2020 (Issuewire.com) - New travel & adventure show series featuring a stellar line-up of Southern California locations. Please visit www.CaptivatingCalifornia.com or email Joey@CaptivatingCa.com for more information.

“I’m proud to celebrate the launch of “Captivating California,” this eclectic travel channel sets the stage for rediscovering the delights of Southern Cal’s extensive history, culture, and arts,” said Joseph Zender, a well-travelled writer, and show creator, doing his part to bring the world of travel directly to you.

Through the power of words, vivid imagery, and short narratives, this spectacularly crafted, yet simple production endeavours to provide a profound outlet for like-minded, perceptive travel enthusiasts seeking adventure – responsibly.

Joseph begins his episodes showcasing remarkable experiences of California’s vibrant local flavours, to reinvent joie de vivre hidden within these unexpected, tumultuous times. Let’s share positive and resetting travel experiences, while we build a better, uplifting future, together.
