**New York City, Aug 5, 2020** ([IssueWire.com](http://IssueWire.com)) - Dr. Finkelstein is a top chiropractor tending to patients' chiropractic needs at her private practice, B & B Chiropractic, located in Massapequa, New York. With a focus on spinal care and general wellness needs, she strives to alleviate pain and improve

overall health, thereby allowing her patients to go about performing their daily activities and work-related duties with minimal to no discomfort.

Having graduated with her Doctor of Chiropractic (DC) degree from Logan College of Chiropractic in St. Louis, Dr. Finkelstein started practicing in 1994 and opened her current office in Massapequa in January of 2003.

Keeping up-to-date with the latest research, care, and techniques in her field, she is enrolled in a postgraduate education program, specializing in chiropractic neurology through New York Chiropractic College.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain and back pain. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself without the use of medication or surgery.
