

Dr. David Lee Joins one of the Largest GI Groups in DFW

Digestive Health Associates of Texas, P.A. (DHAT) welcomes Dr. David Lee to their physician group of 90+ Board Certified Gastroenterologists serving the DFW Metroplex with over 60 locations

Dallas, Aug 4, 2020 ([Issuewire.com](https://www.issuewire.com)) - Digestive Health Associates of Texas, P.A. (DHAT) is proud to welcome Dr. David Lee to its group of Board-Certified Gastroenterologists serving the DFW Metroplex. Coming to DHAT from the University of California Irvine Medical Center where he was serving as a Clinical Instructor while completing his Fellowship in Advanced Endoscopy, Dr. Lee will be joining four other DHAT practicing Gastroenterologist at their office located at Methodist Hospital Medical Office

Building in Dallas.

Dr. Lee completed his undergraduate studies at Columbia University where he received his B.A. in Biophysics, then went to Yale University where he received an M.P.H. in Health Policy and Administration and continued his studies at University of Michigan Medical School where he received his M.D. in Medicine. Lee completed his post-graduate work with an internship and residency at the University of Texas Southwestern Medical Center in Dallas. He then served as a Hospitalist at Baylor Scott & White in Plano before completing a fellowship in both gastroenterology and advanced endoscopy while serving as a clinical instructor at the University of California Irvine Medical Center.

"We are very pleased to have Dr. David Lee joining our group. His background and skills are exceptional, and he is an extremely talented physician who will complement our growing group of GI specialists.", said DHAT President and practicing Gastroenterologist, James Hakert, MD.
