Sheridan, Aug 4, 2020 (IssueWire.com) - Frolicape LLC is a fast-evolving Online Marketing company that focuses on providing Digital Marketing Solutions for Business and Tech Startups, competing with the leading digital marketing firms in the United States.

The US-Based Company is strongly known for and has earned a signature for itself for its exclusive Best-

in-class Branding & Digital Marketing Services with Industry-led technology at a comparatively affordable cost.

The Company has recently announced to advance as a [One-stop Business Marketing Growth Platform](#) to handle the full Online marketing demands for businesses.

The Company also forecasts a 12% hike in ROI for Businesses when opted for Frolicape for their complete marketing solution.

"After several considerations and in-depth study, I am excited about the launch of our Ultimate Business marketing growth platform to help businesses with their undivided Digital marketing growth strategy and empower them to take care of their business operations," said Jana Ramadass - Founder and CEO of Frolicape.

With this advancement, we are dedicated to bringing the most effective, functional, and cost-effective marketing strategy for any business to scale their operations and Return of Investment.

We firmly believe, Small Business and High tech Startups can thoroughly benefit from this platform, as we have made it affordable and to meet Businesses requirements of any size and Investment."

Benefits to enable Frolicape's new release for Business over your In-House or Divided Marketing efforts

- 3X times cost-effective than setting your own marketing team in the US
- Affordable Agency fees compared to many leading marketing agencies.
- Forecast 12% increase in advertising Return of Investment
- Reduced Hiring & Training cost
- Reduced Wasted Budget on Advertising Platforms
- Transparent cancellation policy

Frolicape is committed to being a nation-wide leader of Digital Marketing Services to support businesses

The release of the Complete Marketing Solution platform is the peak of our continued intention to provide the most distinguished quality of Services as an extension of their own business.
