

Groove To The Creative Harmonies Of Texas Hip Hop & RnB Artist Naz T Musiq's Song 'She Ready 2 Work'

Upcoming Texas hip hop & RnB artist Naz T Musiq's song 'She Ready 2 Work' is a blissful and diverse blend of musical influences set in a groovy rhythmic pattern.

Arlington, Aug 14, 2020 (Issuewire.com) - The creative crossover between hip hop and R&B is taking the stage by storm and many artists are coming out with their individual interpretations of musical standards. Upcoming hip hop and R&B artist **Naz T Musiq** is creating a blended course of musical dreams that are paving the path for bigger possibilities in the musical industry, He recently came out with the single, '[She Ready 2 Work](#)' in collaboration with EnerG and the duo is sending ripples of creative greatness through its structure and presentation. The song retains the natural groove and instantaneous lyricism of contemporary hip hop as well as the soulful wholesomeness of R&B. The song is the ultimate party anthem but in a subdued outspokenness that compels the audience to shake a leg on the dancefloor.

The [Texas hip hop & RnB artist](#) is currently associated with the label Indience Music Group and has given him the platform to expand his creative arc. '**She Ready 2 Work**' arranges a steady beat, catchy hooks, and a melodic flow that collectively pay tribute to the creative proximities of hip hop and R&B. His other song '**How You Feel**' and 'Bedroom' also imbibe the essence of his artistic individuality and his ability to face challenges without losing focus. His thematic ideas are also extremely crucial to his songs and make them separate entities of their own.

The soundscape nurtured by **Naz T Musiq** draws inspiration from the East and West Coast, MidWest, and Southern rap, and artists like Jay Z, 2 Pac, Nas, and Eminem. His work is also influenced by R&B artists like The Temptations, Johnny Taylor, Chris Brown, and others that have allowed him to identify and accept his creative abilities. His music is bold and non-pretentious which

elevates his work to another degree of appreciation. Follow him on **Soundcloud**, [YouTube](#), [Facebook](#), [Twitter](#), and [Instagram](#) to experience the creative crossover between hip hop and R&B.
