New York City, Aug 15, 2020 ([IssueWire.com](https://www.issuewire.com)) - Dr. Shaurya is a reputable dermatologist & Director of the APP Program at Schweiger Dermatology Group. The practice includes offices in the Upper East Side & Williamsburg, Brooklyn in New York City, New York.

With a reputation as world-class leaders in the fields of medical and cosmetic dermatology, the board-certified dermatologists at Schweiger Dermatology are proud to serve the Upper East Side community. They realize there are many Upper East Side dermatologists in practice, but what sets Schweiger Dermatology apart from the rest is their commitment to their patients and their high level of expertise and care. They partner with their patients to bring them concierge-like service in the setting of a modern and cutting-edge medical office.

Dedicated to improving the healthcare needs of dermatology patients, Dr. Shaurya is board-certified in dermatology by the American Board of Dermatology (ABD). The ABD is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Pertaining to the doctor's educational background, he received his Bachelor of Science degree in the 7 Year Honors Program in Medicine from the University of Miami, where he graduated Summa Cum Laude. He then went on to receive his Master of Business Administration degree from the University of Miami and his medical degree from the University of Miami Miller School of Medicine. As for his training, he completed his residency in dermatology at Howard University Hospital.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

On a more personal note, Dr. Shaurya speaks both English and Hindi.
